

## PŘÍKLADY ZADÁNÍ PP PROFILOVÉ MATURITNÍ ZKOUŠKY

### Topic: *Hotel Job*

Write a formal letter (210–250 words) asking for information about job opportunities at a hotel. Include the following details:

- Explain why you are writing and mention the hotel where you would like to work.
- Describe any previous experience you have in customer service, hospitality, or similar roles.
- Ask about required qualifications and language skills needed for the job.
- Request details about the working hours and salary.
- Inquire about other benefits for employees.

Use a polite and formal tone. Do not include postal addresses.

.....

### Topic: *A Book I Recommend*

Write a book review (210–250 words) about a book you would recommend to others. Your review should include:

- Basic information about the book (title, author, and genre).
- A short summary of the story without revealing the ending.
- A description of what makes the book special, such as its characters, writing style, or message.
- Your opinion on why the book is worth reading and who would enjoy it the most.

Use a formal style.

.....

Topic: *Social Media*

Write a “For and Against” essay (210–250 words) discussing whether social media has a positive or negative impact on society. Follow these instructions:

- Introduce the topic and explain why people have different opinions about social media.
- Present arguments in favor, explaining how social media can be useful and beneficial.
- Present arguments against, describing the possible negative effects of social media.
- Summarize both sides of the argument and give a neutral conclusion.

Keep the tone semi-formal.

.....

Topic: *A Lucky Escape*

Write a story (210–250 words) about a time when you narrowly avoided a difficult or dangerous situation. Include the following information:

- Set the scene by describing where you were and what you were doing.
- Describe the unexpected situation that put you in danger or trouble.
- Explain how you managed to escape or solve the problem.
- Conclude by sharing how you felt afterward and what you learned from the experience.

Use a semi-formal tone.
